

NGUYỄN TIẾN ANH

BACKEND JAVA WEB DEVELOPER

PERSONAL INFORMATION

- 📞 0961297826
- ✉️ tienanh.ng.work@gmail.com
- 🌐 facebook.com/AnhNT.HaUI/
- 📍 Trung Hoa, Cau Giay, Ha Noi

SKILLS

MYSQL

- Datatypes, Constraints, Query data statement
- Trigger, View, CTE
- Session and Connection

JAVA

- OOP, Working with file, Maven, JDBC
- Hibernate, Spring MVC, Spring Boot, Specification, Spring Data JPA, Spring Security
- Postman, API, Restful API

FRONT-END

- HTML, CSS, JavaScript, Bootstrap
- Typescript, Promise, Async Await, Axios, Component Flow, Hook, ReactJS, Redux Toolkit, React DevTools

PROJECT PROCESS

- Agile scrum
- Project Lifecycle (SRS, Design screen, design API, coding, testing,...)
- Git

CAREER GOALS

Short-term:

- Participate and train in enterprise projects
- Further refine programming skills, especially Frontend skill

Long-term:

- Become a Full-Stack Developer after 1-2 years working
- Knowledgeable of new languages and technologies
- Achieve desired income levels

WORK EXPERIENCE

CNC MACHINE PROGRAMMING

09/2022 - 06/2023

Hung Nguyet Production and Trading Company

Participate in processing, manufacturing and programming mechanical components, machine parts,... using AutoCAD, SolidWorks, Master CAM software

EDUCATION

MECHATRONICS ENGINEERING TECHNOLOGY

09/2019 - 06/2023

Hanoi University of Industry

- CPA: 3.15/4.0
- 149 university credits includes general subjects, majors and programming subjects (C++, CNC)

FULL-STACK JAVA WEB

03/2023 - 12/2023

VTI Academy

- Full-stack programmer training system has a roadmap and enterprise output standards

TITLES AND AWARDS

2021

Scientific research on automatic table tennis shooting system (First Prize)

CERTIFICATION

2021 Office information technology certification

2024 Business Programmer Passport Course - Java Web Full Stack

PROJECTS

DATABASE - BACKEND

03/2023 - 07/2023

Employee management system

Description: Project analysis to build an employee management website

- Database: Build and design Database
- Backend:
 - + User: View list of departments and employees in department.
 - + ADMIN: Manage employees, CRUD departments.

IDE

- MySQL Workbench
- IntelliJ IDE, Spring Tool Suit, Post man
- Visual Studio Code

OTHER SKILLS

- Teamwork skill
- Problem-solving skills
- Presentation skills
- Communication skills
- Office information

LANGUAGE

- English level equivalent to Toeic 650

MORE INFORMATIONS

- Personality: Sociable, friendly, have a progressive attitude
- Job: Ready to learn, meet all requirements from the side proposed by the company, OT if necessary.

- Technology used: Java, Spring Boot, Spring Data JPA, Spring Security Restful API
- IDE: Spring Tool Suite 4, IntelliJ, MySQL WorkBench, Visual Studio Code.
